The OSIM will take place concurrently with the annual Prospectors and Developers Association of Canada (PDAC) International Convention and Trade Show. PDAC is the world's leading trade show for companies and organizations in mineral exploration and mining. More than 3 500 investors and 25 600 attendees from 135 countries are expected at the Show.

Companies will be screened and selected in line with the EMIA guidelines and market requirements, which are explained in the EMIA guidelines document. For the approved companies, **the dti** will provide the following:

- Accommodation (bed and breakfast only)
